## PURPOSE

The purpose of the Borough's Hometown Heroes & Honoring Our Veterans Military Banner Program is:

Honoring our military servicemen and women currently active and deployed with a Hometown Heroes & Honor Our Veterans Military Banner.

Pay tribute to our Veterans and deceased Veterans with a Hometown Heroes & Honoring Our Veterans Military Banner

Ensure that the aesthetic appeal of our main thoroughfares are maintained.

Promote the recognition of our military currently serving, veterans and deceased veterans.

The original goal of the program was to install 125 banners, but we far exceeded that goal and three years later there are currently more than 400 banners on display throughout the Borough.

## ABOUT THE PROGRAM

The program was developed in conjunction with the Borough's 125<sup>th</sup> Anniversary celebration to honor veterans who were born and raised in Sayre and veterans who now reside in Sayre.

The program was expanded in 2017 to include veterans who do not live in the Borough but their family members do live in the Borough or are business owners.

The program originally offered two styles of banners. The red banners were offered to veterans who were born and raised in Sayre and veterans who now reside in Sayre. The blue banners were offered to residents who have a veteran(s) in their family who does not live in Sayre. Beginning in 2019, there will be one style of banner that will be used for all veterans.

The cost of a new banner and banner hardware is \$125.00 which is due at the time of application. New banners come with a three (3) year warranty from the manufacturer which covers normal wear and tear.

The manufacturer's warranty on banners purchased in 2016 expires this year. These banners can be replaced at a reduced cost of \$100.00 and re-installed on the same pole that the current banner is located on.

Banners that are showing wear will be taken down at the end of the year and returned to the purchaser.
