**WHAT YOU WILL NEED TO SUBMIT:**

- 8x10 photo or larger (New Banners)
- Military Verification Form (DD214)
- Check or Money Order \$125.00 New Banner / Renewal- \$100.00

**PURPOSE** - Our community has been blessed by the men and women who proudly served and currently serve our Country. The banner program increases public awareness of the sacrifices that our veterans have made and the sacrifices that active duty servicemen and servicewomen and their families make every day to protect our freedom.

The banner program is coordinated by Sayre Borough and banners have been installed throughout the downtown business district and along numerous streets around the Borough. The opportunity to purchase a new banner is possible at least once each year and donations to sponsor a banner are always welcomed.

**ABOUT THE PROGRAM** - The program was developed in conjunction with the Borough's 125<sup>th</sup> Anniversary celebration in 2016 to honor veterans and active duty servicemen and servicewomen who were born and raised in Sayre or who now reside in Sayre Borough.

The program was expanded in 2017 to include veterans who do not live in the Borough but their family members do or are business owners in the Borough. The program originally offered two styles of banners. The red banners for the veterans who were born and raised in Sayre and who now live in Sayre, and blue banners were for residents who have a veteran(s) in their family but they don't live in Sayre.

The banners were redesigned in 2019 when we began using one style to promote continuity of the banners and the current design shown is our fourth version of the banner. The cost of a new banner and banner hardware is \$125.00 which is due at the time of application. New banners come with a three (3) year warranty from the manufacturer which covers normal wear and tear. Banners can be replaced at a reduced cost of \$100.00 after three years or they are removed from the pole.

Banners that are taken down at the end of the three year period or at the request of the purchaser will be returned to the purchaser.
