FALL 2021

WINTER WEATHER INFORMATION

Nobody wants to think about snow in October but winter will be here before we know it, and residents are reminded that a *Snow Emergency* automatically goes into effect in Sayre Borough when the National Weather Service issues a Winter Storm Warning or Heavy Snow Warning for our area. During a Snow Emergency residents are required to remove their vehicles from streets designated as Snow Emergency Routes for the duration of the Snow Emergency. The Snow Emergency is cancelled after the Winter Storm Warning expires. The Borough may decide to extend the Snow Emergency if necessary. Vehicles that remain on designated Snow Emergency Routes will be ticketed and/or towed. Residents are encouraged to monitor local media outlets for information during winter storms and frequently check the Borough's Facebook page for updates and postponements

SCHEDULE CHANGES – When an observed holiday falls on a scheduled collection day, that collection day is cancelled and there will only be one (1) collection day in the affected zone during that month. Recycling containers must be placed at the curb by 7:00am.
