

Recyclables accepted at the NTSWA Recycling Centers

Monday-Friday 8am - 4pm & Saturday 8am - Noon

Newspapers

Do not bundle or tie. Keep separate from magazines and mixed paper and keep dry. Inserts can remain.

Glass Bottles and Jars

Separate glass bottles and jars by color; clear, brown and green. Food and beverage containers only. Windows, light bulbs, windshields and cookware are all made of a different type of glass and are not accepted. Remove all lids and rings and rinse well. Labels can remain.

Textbooks

Keep separate from magazines, newspaper and mixed paper. Must be boxed and dry.

Mixed Paper

Includes office paper, junk mail, glossy paper, colored paper, envelopes, coupons, phone books, etc. Separate from magazines and newspapers, keep dry. Bag shredded paper.

Steel or "Bimetal" Cans

Rinse cans well and secure the lid inside. Labels can remain.

Clothing & Textiles

All clean gently used clothing, nylon curtains, drapes, towels, sheets, hats, belts, paired socks and shoes. Place in a heavy duty bag.

Unable to accept wet/dirty clothing, rugs, and foam backed drapes.

Magazines & Catalogs

Separate magazines and catalogs from other paper and keep dry. Do not bundle or tie.

Plastics Bottles & Containers

Include soda and water bottles, milk jugs, laundry jugs, shampoo bottles, yogurt containers, butter tubs and berry containers. Rinse well, labels and caps can remain.

Used Motor Oil & Antifreeze

Bring in oil and antifreeze in gallon jugs or other containers that are tightly capped and can be left at the site. Materials **CANNOT** be mixed together or mixed with water or other materials. Residents only.

Corrugated Cardboard

Look for the ridges inside the layers of a corrugated cardboard box. Break down boxes and keep dry. No paperboard (cereal, macaroni or tissue boxes, etc) or wax cardboard.

Crushing plastic containers helps save space and it is acceptable to bag plastics for curbside pickup.

NO STYROFOAM OR OIL CONTAINERS

NO BULKY, HARD OR RIGID PLASTICS

NO FLOWER POTS OR BLACK PLASTIC

NO PLASTIC BAGS, NO FLOWER POTS

Batteries

Lead acid and rechargeable batteries accepted only.

Aluminum Cans & Foil

Please empty and rinse your cans. Thoroughly clean foil. Crushing cans is optional but saves space.

Electronics

Only accepted during scheduled collection events. Fees may apply. Contact NTSWA for a schedule and list of materials.

Appliances

Accepted for recycling, fees apply.
